

MODERN BANKING OPERATIONS AND PRACTICES

3-4 September, 2016

In the current dynamic environment, individuals, to attain their professional growth and development, need not only education but also their professional skills. The aim of this certification program is to hone the professional banking skills of the individuals by training them on Banking domain and usage of Banking application software. The Program is designed to teach the concepts of modern day banking operations. Today the Banking industry requires more competent banking professionals which demands that these individuals are provided proper knowledge and skills to ready themselves for this important role. This certification would familiarize the students with all aspects of bank operations including savings, loans, operations and audit functions. The program would encapsulate all the key aspects of modern banking system among the participants.

COURSE OBJECTIVES :

1

Introduce the Modern Banking System and Practices to the learners.

2

Develop an in-depth knowledge of the operational processes of modern banking system.

3

Familiarize learners with the vital banking functions and various banking operations required for smooth functioning of a bank.

4

Inculcate in the participants a comparative understanding of the Traditional and Modern functions of Banks.

5

Acquaint participants with the emerging trends of the banks and the technology used in banking.

6

Functional knowledge in the areas of banking processes and procedures.

UNIQUE FEATURES OF THE PROGRAM:

- ♦ The program is exclusive in its content as well as methodology.
- ♦ The program combines banking knowledge with modern banking practices.
- ♦ The program would be delivered with the help of case studies and real life examples.
- ♦ Guest lectures would be co-delivered by experienced bankers from Private or Public Sector banks.

WHO SHOULD ATTEND ?

The program is beneficial for all individuals:

- ♦ Who desire to up-skill themselves in the field of Banking.
- ♦ Who desire to attain accelerated growth in their Banking career.
